- Football Facts (Terrill, Y3)
- Did you know?: The Sun (Obead, Y4)
- Tech to Check Out: (Naiher & William, Y2 & Y3)
- Tech to Check Out: *Gacha Life* (Lawrencia, Y3)
- Riddle (Prindy, Y2)
- Joke (Simon, Y6)
- Just For Fun (Year 6)
- Acknowledgements

## Editors' Note

Dear parents and pupils,

It's finally summer! Time to get your sunglasses & flip flops on!

We are so grateful for the many contributions from the pupils in our school. We hope you enjoy Edition Five.

Have a lovely summer – make sure to keep safe!

Ella May, Evelyn & James

## Reflection: Why God is Lovely & My Favourite Prayer

In name of the father and of the son and the Holy Spirit. Our father who at in heaven hallow be thy name

Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive our trespasses as we forgive those who trespass against us.

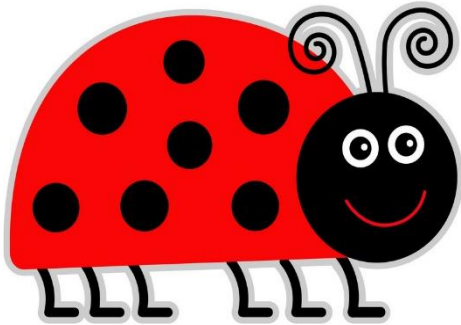

Deliver us from evil.

Amen

Our father is lovely because he sent his angels.

By Michael

## Reflection: What We See in Summer

### Ladybirds

There are red, orange and yellow ladybirds. The orange and yellow ones are poisonous but the red ladybird is not poisonous.

### Flowers

Flowers are sweet smelling, wonderful plants that bees, butterflies and wasps are attracted to. The nectar in the flower is made to make honey.

### Butterflies

These winged beauties are one of the insects that collect nectar to feed to their families.

By Amarah & Lawrencia

## Editorial Challenge:

### Pollution/Global Warming

Today Earth is being treated horribly. People continue deforestation (cut down trees) and factories continue to produce (make) plastic. There is also a serious amount of waste effecting the ocean, ocean animals and us! Our lifestyle is killing the earth and its beauty. WE NEED to make a change.

Your challenge is to design a poster to inspire people to reduce pollution. Please return your competition entry to Mrs Hradsky by 6 September 2019.

By Ella May

## ***The Little Unicorn***

Once upon a time there was a little unicorn, Lily, who had no friends. She was sad because every unicorn (even her parents!) bullied her because she was the littlest unicorn, but she did not know that she

was a special unicorn.

As she grew up and grew prettier and prettier, the other unicorns were jealous. So one day she felt so confident it was that day when she made some changes. So when Lily went to her private unicorn school, she saw this beautiful girl and Lily thought she could make friends with her BUT Lily thought wrong...

*To be continued in autumn term 2019!*

By Lena, Lawrencia & Lauren

# *I Like Games!*

I like games

It makes me full of joy

Games make me comfortable

I LIKE GAMES!!

My favourite games are.....

Dream league soccer 2019 & Traffic Run to name a few.

By David

## Did you Know?: Football Facts

- Kylian Mbappe is the fastest player in the whole universe. He plays as a Striker for Paris Saint Germain.

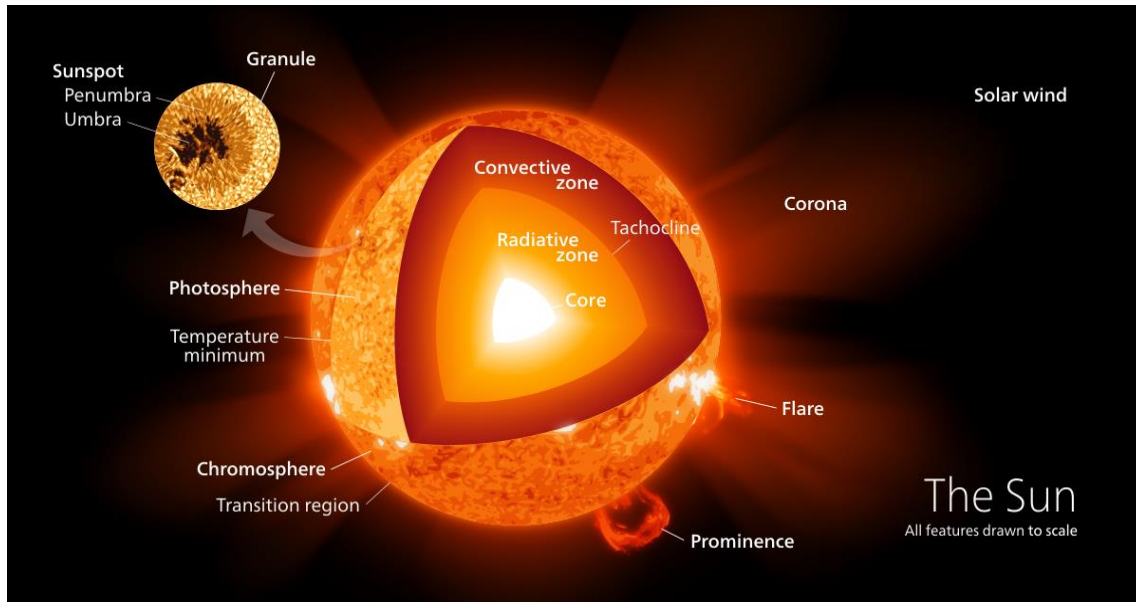

- Cristiano Ronaldo is the top scorer. He plays as a striker for Juventus.

By Terrill, Y3

# Did you know?: The Sun & Its Heat

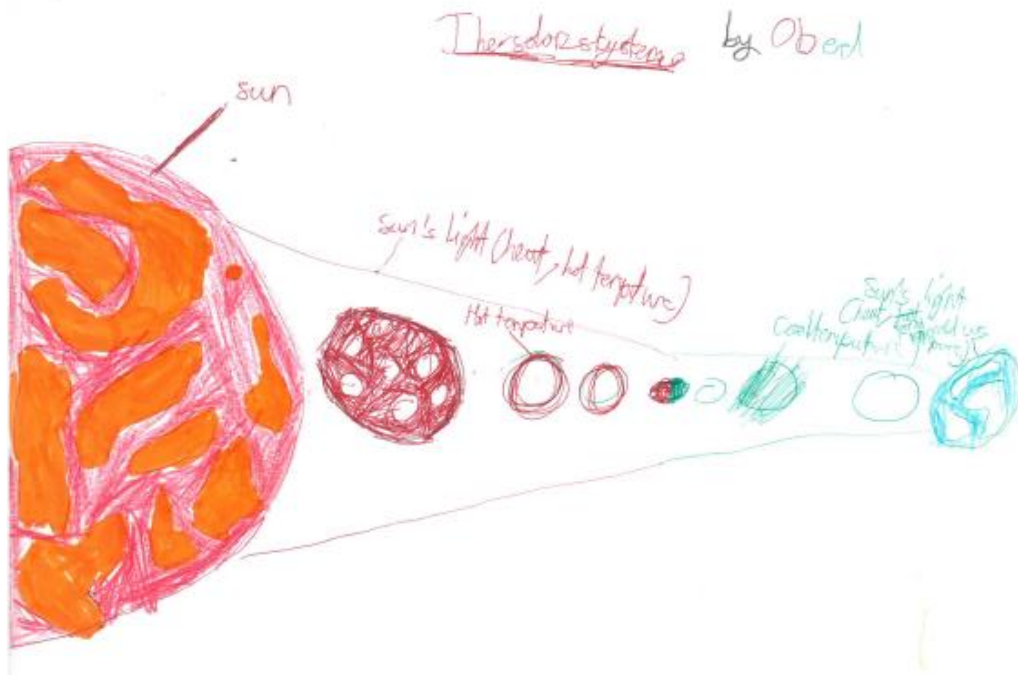

## The Sun

Here are 4 facts about the sun:

- The Sun has been in the solar system for 4.603 billion years.
- The temperature of the sun is 5,778K.
- The Sun's core is the the middle of the sun
- The sun shown its core every 4 years.

## The Sun's heat

### The hottest planets in the Solar System:

#### 1. Mercury

##### ***Why Mercury is the hottest planet in the solar system?***

Because Mercury is near to the sun. That's means that Mercury collects all the heat but it drops out some heat as well.

#### 2. Venus

##### ***Why is Venus the 2<sup>nd</sup> hottest planet in the solar system?***

Because Venus is the second nearest planet to the sun trying to collecting all the heat.

**Fun Fact:** There used to exist a planet called 'Pluto' in the family (solar system) but it doesn't exist anymore. It used to be colder then NEPTUNE !!! Just imagine how cold that will be.

By Obead

## Tech to Check Out: IXL

IXL is a website where you do math and English practice and you can sign-in to your own account. The website is <https://uk.ixl.com> and you can also download the app onto tablets and phones.

How would you ever forgive yourself if you do not get this marvellous app?

Enjoy Learning about

By Naiher & William

## Tech to Check Out: Gacha Life

Gacha Life is a Japanese game that is made for creating characters and making stories with your characters. You get 100 gems for a starter and you can spend the gems for get rare common or super rare pets. Here are examples.

There are glitches in this game you need to watch out for, like this:

By Lawrencia

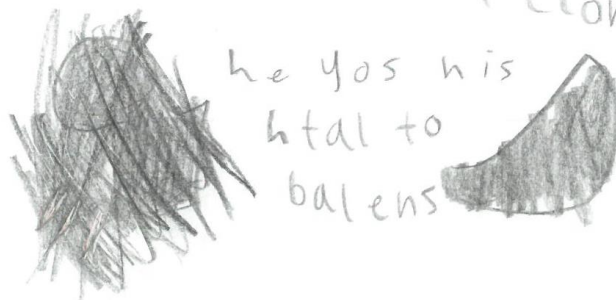

## Riddle

Who am I?

He is black and has red  
eyes

Sharp ~~at~~ claws

BE YOURSELF

Never give up  
Love everyone  
Try your best  
Do your best  
Love yourself  
believe in yourself  
love is best  
Never say never  
love your neigh-  
bours as yourself  
Keep young -

A room without  
books is like  
a body without  
a soul. Have  
a lot of respect.  
Have a lot of  
belief.

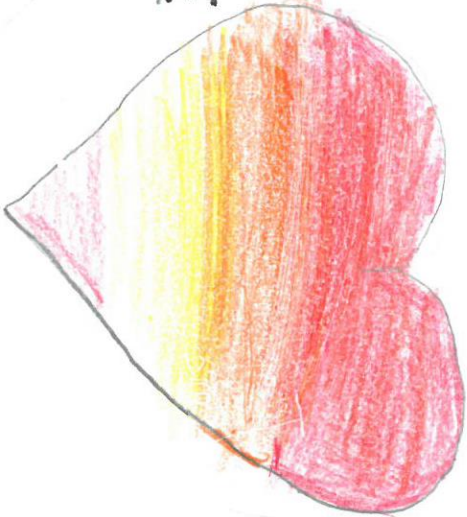

take control love is amazing from  
deeper down if you dont there  
is no point in being sorry  
if there is no love love  
is the best thing that ever happened  
to  
Always love and dont bully.

Always try your  
BEST!

Have a  
lot of  
LOVE

Remember if  
it's hard  
Keep on going.

Have a  
lot of  
beliefs.

Have a  
lot of  
RESPECT

Never give up  
try succeed in life.

Always believe  
in yourself.

Have love  
!!!  
Have  
Respects
