Dear Amanda,

**Re: Congratulations**

I am writing to congratulate you on the very strong outcomes achieved by your Key Stage 2 pupils in 2022. These reflect the commitment from you and your staff to ensuring the best possible quality of education for pupils so that they possess the skills and confidence to succeed. It is notable that you were very significantly above national attainment. This also indicates the care and support you offered the children during the past years when school life was disrupted by the pandemic. Well done.

The outcomes demonstrate that all pupils can achieve when given really strong teaching, care and support. They serve as something to be celebrated with your school community.

On behalf of Hackney Education thank you for your continuing leadership, your aspiration for our pupils and dedication to their quality of education. I wish you, your staff team, your governors and all your children every success for the coming year. Please pass on my thanks and appreciation to your staff.

With best wishes,

**Annie Gammon**

**Director of Education**
