

Hello parents, Careers

*I hope everyone had a wonderful and peaceful halfterm. We are now beginning to enter a very exciting few weeks. Trips to the farm, park and our new garden area is ready for the children to explore.*

### Topic:

Our topic for this term is **Minibeast**. The children are really looking forward to this wonderful topic. Please encourage the children to investigate themselves and find out more on this exciting area of learning.

### RE

“To the end of the earths”

The children will focus on different accounts of Pentecost and what does this mean to us as a family of God,

### Reading/RWI:

As a part of their continual learning, Nursery children will continue to have phonics every morning.

Also, please remember that we change reading books every Thursday in readiness for Friday.

We ask parents to participate in school life. We would like to see more parents attending the play and stay sessions, which are coming up this term, this helps to cultivate your children’s learning experiences.

### Class Dojo:

Please continue to check Class Dojo daily for updates. Feel free to send me a message with any enquires and I will try to respond as soon as possible. If you are still having any problems with class Dojo, please do see me.

Morning children must be in class by **9.am**.

Afternoon children must be in class by **12pm**.

This ensures children are settled for the start of each session.

### Maths:

We are using White Rose whereby each week we will focus on one math lesson broken into daily session using **resources**, which will provide a bank of ideas for adult led learning and continuous provision for the children.

They will also look at ways to solve the simplest form of these maths topics, some done through rhymes and songs. These ideas will help your child to explore numbers, which will help them to develop early maths concepts and skills.

### PE:

Preschool (Nursery Children) will still continue to have their PE lessons every Wednesday morning. Their PE kit is:

- PE shirt
- Navy elasticated shorts
- White socks
- Black trainers

Also please be advise that the nursery children should be in PE clothes for this session.

Lastly, thank you to parents who donate their weekly £1 to support our class and your child’s learning.

Your contribution helps so much!
