Topic:

Our topic for this term is **Ourselves** filled with activity ideas for each of the seven areas of learning of which we will encourage the children to learn about themselves and others.

R.E: This term we will be looking at what **Myself** means to us as a family of God, and the different ways to celebrate this God at the centre of it all.

Reading/RWI:

As a part of their continual learning, Nursery children will have phonic every morning,

Also please remember that we change reading books every Wednesday in readiness for Thursday.

Reading books are for pleasure, so I would encourage you to read with your child when you have a spare moment.

Class Dojo:

Please check Class Dojo daily for updates. Feel free to send me a message with any enquires and I will try to respond as soon as possible.

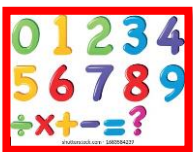

if you are still having any problems with class Dojo, please see me.

Math's:

In Maths, this term, the children will continue to explore numbers, through rhymes and songs. They will also look at ways to solve the simplest addition and subtraction, with the help of visual aids like manipulatives e.g. counters/counting bears etc.

These ideas will help your child to explore numbers, helping them to develop early maths skills and concepts.
